

**M.M INTERNATIONAL SCHOOL, AMBALA**  
**HOLIDAY HOMEWORK (CLASS – VI)**

**Social Sc:- Topic: - Endangered species of birds in India**

Students will research on the different aspects of movements of migratory birds to India keeping in mind the following points:-

- A) Region they belong to
- B) Region they migrate to
- C) Season they migrate in
- D) Duration of their stay
- E) Reasons of their migration

Find and mention 5 reasons for the decline in the number of selected endangered species.

**Maths:-**

- A) The students will search about any 5 endangered species of birds in India.
- B) They will research and record the change in the number of these endangered species in the past 5 to 10 year
- C) Represent the recent and previous data in the form of Bar graph separately.

**SCIENCE:-**Prepare a table mat by weaving method of size (30 x 20) cm and cover it with transparent sheet.

Make a power point presentation on 'Balanced Diet' of 3 to 5 slides.

**ENGLISH:-**Write a diary entry expressing how you made the science project and ppt. Use A4 sheets to write the diary entry.

**हिंदी :-** 1. परिवार में बच्चे अपने दादा - दादी और नाना - नानी के बहुत करीब होते हैं लेकिन दैनिक व्यस्तता जैसे स्कूल ,ट्यूशन के कारण उनके साथ अधिक समय व्यतीत नहीं कर पाते। इन गर्मी की छुट्टियों में उनके साथ अच्छा समय व्यतीत करें जैसे( मंदिर जाना ,पार्क घूमना ,फल और सब्जी खरीदने में मदद करना ,किसी रिश्तेदार के घर जाना और घर के अन्य कार्यों में उनकी मदद करना) आदि। ऐसे ही किन्ही पांच अनुभवों को चित्र सहित 'ए 4 ' शीट पर लिखिए जैसे वह विशेष गतिविधि आपने किस दिन,किस समय और परिवार के किस सदस्य के साथ की, साथ ही आपका क्या अनुभव रहा।  
2 .समाचार पत्रों से किसी एक विषय जैसे पानी , बिजली ,गन्दगी या कूड़ा -कर्कट की समस्या ,खेल समाचार पर कोलाज बनाएं।(विद्यार्थी अपनी पसंद का कोई भी एक विषय चुन सकते हैं)।

**CLASS - VIII**

**S. ST:- Topic-Project on natural resources in India**

- A) Explore the renewal resources found in India with their location on map with their information with pictures.
- B) Write some ways to conserve natural resources.

**Maths**

Represent the usage of Biodegradable resources in India in the last five years.

**SCIENCE.**

Make a power point presentation on 'Microorganisms: Friend or Foe' (5 useful and 5 harmful) of 8 to 10 slides. It should include the name of the microbe, its picture and explanation.

**ENGLISH**

After preparing the science project write an article on the same topic 'Microorganisms: Friend or Foe'. Use relevant information that you collected while preparing your project. Use A4 sheets to write the article
